

When I attended the AASL National convention in Minneapolis MN October 27<sup>th</sup>-30<sup>th</sup> I was so impressed. I thought the whole conference overall was an amazing experience. It was so well put together and organized. The sessions that I had attended were great. They were very interesting and gave me some great new ideas that I am looking forward to trying out and to use in our elementary K-6 library. I thought that the vendors were fabulous with lots of things to see and also learn about. It was a great conference!
